

We would like to take this opportunity to introduce you to **Cleanstar National**. Our organization provides specialized cleaning, detailing, janitorial, and daily or nightly maintenance services for companies of all sizes. Some of the many services that we offer include rug maintenance, building, window, or carpet cleaning, janitorial services, marble floor polishing, floor waxing, nightly cleaning, and industrial cleaning. We use state-of-the-art products, equipment and techniques to insure quality, efficiency and safety. Furthermore, for our customers that are interested in going green, we offer “Green Clean” products for use in your facility.

Cleanstar National has a current client base that includes a variety of facilities throughout metro Atlanta, including Midtown, Buckhead, Alpharetta, and Kennesaw among others. Our clientele includes, but not limited to: school systems (both private and public), daycare facilities, class “A” office buildings, condominiums and industrial settings.

At **Cleanstar National** we take pride in the fact that we self-perform all of our services and employ a trusted staff that delivers strong work ethics with an acute attention to detail. Our staff is fully insured and bonded and is copiously trained in equipment and product usage, as well as trouble-shooting techniques. Additionally, our supervisors will perform quality inspections to make sure that your janitorial needs are being met to your full satisfaction; and in the event that you require an immediate response, our reliable supervisors are accessible 24/7.

If you or your organization would like more information regarding the services that **Cleanstar National** has to offer, feel free to contact me at our office at (770) 425-6797 or visit our website listed below.

Best Regards,
